FIRESTAR/FIREHEART X READER! Pt.1

Of course Firestar must be first so my bro will fall in love with you. By the way Y/W/N means your warrior name! E/C means your eye color and F/C means fur color.

"Y/W/N" you heard cat call you.

You padded out of the Warriors den stretching your legs.Your F/C shining in the sun. As you walked out you saw it was Graystripe he had become a warrior about 9 moons ago and he was your best friend. As you walked by you felt someone watching you. Your eyes scanned the camp until you saw Fireheart staring at you wide-eyed as if he had seen a Starclan cat. You ingnored it and walked tworads Graystripe. Out of the corner of your eye as you walked closer to your friend his eyes turned into slits. You acted as if you don't care a bit. He always fun of you anyways.

"Want to go hunting!" Graystripe meowed

"I'd love to" you purred

You followed Graystripe out of camp.

"Um Y/W/N?" He asked scared

"Yes?" You meowed nervously

"I need you to meet someone" he meowed

"I mean I am going to tell Fireheart another day but I have to tell you."

"Ok" you meowed

You guys ran together Until you got to the Riverclan border. There a she-cat waited. She had silver fur and blue eyes like the river.

He must like her **You thought**

"Silver stream" he meowed

"Yes" Silverstream purred

"Is she your mate?" You asked as she swam across the border.

"Yeah promise you won't tell anyone else?" He asked nervously.

You thought for a second but nodded yes.

She crossed over the river and nuzzled him.

"You must be..."

Her words where cut off by footsteps coming

"Silverstream the plan remember this is why she's here." He hissed

"Pretend I just asked you to be my mate" he meowed turning to you

Silverstream was already across running tworads her camp.

"What" you hissed

"Please Y/W/N!"he pleaded

"Ok fine" you whispered

The footsteps where already a few mouse-lengths away in the bushes

"Umm Of course Graystripe I will be your mate!" You forced a

purr out of your throat.

Your tails intertwined together. Both of you felt very uncomfortable but did it for Silverstream.

Soon the cat revealed to be Fireheart. Both of you acted if you didn't hear him coming.You tied to purr as loud as possible so did he. Your pelts brushed against each other's as you walked tworads the bushes next to where Fireheart was.

"Umm I love you Y/W/N."he managed to purr

"Yeah me too"You tried your acting skills and kept pushing them.

Both of you knew Fireheart was following you two. So you stayed like that until he spoke up.

"What is happening here!" Fireheart hissed

You both flinched of how he spoke up just now

"Well Y/W/N is my mate!" You both looked happy

Well Graystripe was happy cause you agreed to help him. And you where happy cause well he was your best bud and he was happy.

"WHAT!" He yowled

Both of you flinched of how mad he was did he see Silverstream with Graystripe and you helping them.

"Graystripe is my mate!" you forced a purr and manged to sit so your pelts where brushing. Still acting.

Then you saw tears form in Fireheart's eyes. WAS HE CRYING! He ran into camp crying.

"Are you sure you wanna keep acting like my mate from now on?" He whispered

The you remembered all the times Fireheart made fun of you.

Little did you know it was cause you perfect to him and he tried to point flaws out so he would serve his clan better but you just made it worst he wants you to love him more now

"Yes" you hissed "Even if Fireheart likes me this will be payback for all the times he made fun of me"

"Thank you!" He purred "And your right put it that way."

Graystripe X reader pt 1

Lol tomorrow or later today I will do Firestar X reader pt 2 for now I will make this XD this might be very sad

You sat in the middle with your friend Sandstorm you just became warriors. You where very stubborn and cruel. But I between you where sweet,kind,loyal,and strong to your friends. Not to mention you made all the toms faint. You where in good shape with F/C fur which shined night and day, You where tough and sweet to the people she cared for, and most of all you had E/C eyes that shined bright and they loved it. Yet you hated Graystripe! He made you feel warm and weak. You hated being weak. But you love him that is what Sandstorm told you. However Tigerclaw had a different plan. He never let you be allone with Graystripe anymore. He loved how tough you where and strong he wanted you. Fireheart was Graystripe's best friend you didn't like him. But however Sandstorm who was like your sister loved him. She always wanted to get his attention. Today you went hunting alone. Tigerclaw was asleep so it was one of the only situations to be alone hunting. This moon Graystripe has been very distant. He went hunting everyday and barley came back with anything. You decided to go to the river to see if any birds where there. Yesterday you found a lot there. Then you stopped and hid in the bushes. You heard voices nearby.

"I love you Graystripe" a shecat purred

You peeked out of the bushes to see Graystripe with a Riverclan cat! There tails intertwined together there pelts brushing! Tears rolled down your eyes you became weaker than before. You loved his smile his fur shining and he went after a Riverclan cat. But you had to be strong. You tried but

you couldn't.

"Ok so what should I do……"

He turned around to only see you crying your eyes full of tears.

"You…" You hissed

"Y/W/N! No no this isn't what you think" he meowed getting closer

You backed away " I loved you!" You cried tears rolling down

" I cared for you!" You couldn't look at him any longer longer

"Me too Y/W/N I was acting out if I asked you too be my mate

You ran tworads camp crying.

"Y/W/N!" You heard Graystripe call your name

"Please I can explain" he yelled

You didn't pay attention to where you were going and ran into a stray animal cage trap the door shut behind you.

"No no no" you cried

You scratched the bars trying to escape before Graystripe found you. You gave up and layed down crying.

"Why Starclan!" you wailed

You started feeling lightheaded until you heard a voice.

"Y/W/N!" I'll get you out of there just let me get help." It was Graystripe his eyes full of tears.

Then a two-leg came into sight

"Run Graystripe run" you hissed still angry.

"NO I WILL GET HELP NO MATTER WHAT YOU TELL ME"he was crying many tears rolling down his eyes

You clawed at him making him back up

"I told you to leave" you meowed calmly " Do it for me" you meowed

"N-No No I can't let you leave!" His eyes full with regret,sadness, and of course tears

"Please!" You begged.

The two-leg was getting closer

"I was only trying to get you as a mate so Silverstream asked to help after she saved me and now I got you into this and I want you to forgive me please." He pleaded

"The only thing you need to do to so I can forgive you is to secure the camp and the clan, but if you try to get me I will never forgive you" you meowed.

He nodded crying harder and hid in the bushes.

"I will never forget you."He whispered as he saw the two-leg take you and the cage away.

He ran back to camp making sure the clan was fine.

Graystripe X reader pt.2

Hi guys my instincts told me to this first so yeah. Enjoy peace from Chicago area!

~~~Graystripe's POV~~~

I looked up at the sky woundering if Y/W/N was hunting with Starclan. I am here with my mate Millie. But Y/W/N was way better I can't forget her smile shining. It was long ago when she left. Millie promised me if Y/W/N ever came back she would leave me and let me be with her. Like that was possible. My heart sank every time I had the same nightmare about her leaving in the cage. Then we saw cats walking tworads the island on a stick

"That's them!" I purred

"Yes it is Graystripe it is" she nuzzled me.

I stiffen I her fur was soft but not like Y/W/N's I ingnored it and walked to the island. Everyone was there Firestar my clan was there! I walked out of the bushes the something surprised me that made my heart stop. Where the deputy sat a she-cat sat the one and only Y/W/N. (Don't judge my decision of making you deputy and not Brambleclaw but just wait a minut keep reading.) I looked at her her eyes full of sadness. Then I noticed something. My tail was intertwined with Millie's. My heart stopped again. She still stood there looking strong. My train of thought broke with the voice of my clan.

"Graystripe!" Sandstorm and Firestar purred together. My whole clan greeted me except Y/W/N.

Your POV

My eyes felt like crying my body wanted to collapse right there and then I should of never trusted him. The clan greeted him but I stayed where I stood. The other clans already left. Then my kits stared at me. One to looked like his father Jack. Her sandy pelt with beautiful blue eyes. His name was Sunfur.

~~~~Flashback~~~~

"Jack NO!" I wailed my eyes tearing up.

"MOUSE BRAIN I TOLD YOU TO STAY WITH THE KITS AND I WILL FIGHT!" I hissed

"Y/W/N, Promise me you will go to your clan take the kits with you and find Graystripe he will love to help you."

"What else would I do Mousebrain" I said nuzzling him.

He smirked the same one he had when I met him. Blood dripped from his throat.

"Goodbye"he purered trying to lick me but he died before he could.

I cried into his fur he was the only cat I loved who didn't trick me.

~~Flashback ended~~

"It's just because that Graystripe."

"What!"he meowed.

"But he is with another cat!" He hissed

Dawnpelt came by she was my daughter.

"That's him isn't"she meowed

I only nodded as the she-cat got closer to him. He mouthed I'm sorry to me as the she-cat nuzzled him. I only snarled in response.I felt something brush against both sides of me. My

kits.

"Don't worry mom" Dawnpelt purred.

"You have us"Sunfur purred.
